## ORDERING INSTRUCTIONS AND CONDITIONS OF SALE

### General:

Lone Peak Conservation Nursery offers low-cost tree, shrub and grass seedlings for use in conservation plantings and by other nurseries as liner stock. These plants are one to three years of age. Seedlings are available as bareroot (field grown) or container (greenhouse grown) plants.

Use this form to order seedlings for spring and/or fall plantings. Bareroot seedlings are available only in spring months and will be held until June 1. Container stock is available year-round. Seedlings are sold on a first come, first serve basis so order early. *Minimum order is 100 seedlings.* Species are distributed in multiples of 25. Order them as such.

### Approved uses:

This program is authorized to encourage landowners to plant trees and shrubs for conservation purposes. The nursery does not select, grow or distribute seedlings for ornamental or landscape plantings. *To purchase landscape plants, see your local private nursery or garden center.*

Suitable uses include reforestation, shelterbelts, windbreaks, wildlife plantings, erosion control, mine reclamation, wetland mitigation, riparian enhancement, Christmas tree production or other functional conservation plantings.

### Ordering:

- ☐ Review and select most appropriate species for your use and planting site. Call the nursery or local Division of Forestry, Fire and State Lands office for other recommendations. Use this form to compile and submit an order.
- ☐ Identify and list species and quantities desired. (Order species in multiples of 25.)
- ☐ Extend the appropriate per seedling price based upon quantity ordered for that particular variety.
- ☐ Indicate preferred substitute or a refund.
- ☐ Indicate preferred shipping method, and extend appropriate charges listed in shipping costs box.
- ☐ Calculate total cost for seedling and shipping charges.
- ☐ Submit this form and payment to the nursery through the Postal Service or in person.

### Shipping.

You may choose to receive your orders by the following methods:

- ☐ **Pick up at nursery.** No shipping charges. Container stock may be obtained year-round. Bareroot seedlings are available between April 1 and June 1. Customers may pick up orders at the nursery. For a map to the nursery please go to [seedlings.utah.gov](http://seedlings.utah.gov). Indicate on this form the approximate pick up date so seedlings may be properly packaged and stored to maintain freshness.
- ☐ **Pick up at centralized drop off point in your county.** No shipping charges. For customers located outside of the Salt Lake and Utah county areas you may pick up orders at designated drop off sites. See tentative schedule of locations and dates at [www.ffsl.utah.gov/lonepeak/nursery/dropoff.php](http://www.ffsl.utah.gov/lonepeak/nursery/dropoff.php)
- ☐ **Local area forester may deliver seedlings to you if time allows.** No shipping charges. Verify with area forester prior to relying on this method. For information on your local area forester, please go to [www.ffsl.utah.gov/areaoffices.htm](http://www.ffsl.utah.gov/areaoffices.htm)
- ☐ **Shipped directly to your home or business address (street address only, not PO box) via UPS.** Shipping charges apply. *UPS delivery is at buyer's risk and expense.* Nursery is not responsible for delays or damage. Indicate date you want stock shipped from nursery. Mondays and Tuesdays are preferred to minimize weekend layovers.

\*Seedlings occupy limited area when packaged, Five hundred seedlings easily fit into back seat of a passenger car.

### Payment.

Full payment must accompany orders. Submit check or money order with this form. Make checks payable to Forestry, Fire and State Lands. *Do not send cash.*

### Orders and confirmation:

Orders are booked subject to crop growing conditions and with the understanding that orders shall be void should injury befall the stock from drought, flood, fire, frost, hail, other weather conditions, errors in count, insect and disease injury or other causes beyond nursery's control.

The nursery will process your order as soon as it arrives. You should receive an order acknowledgment and payment receipt within two weeks. If you do not receive an order acknowledgment, please contact the nursery.

### Warranty:

Lone Peak Conservation Nursery warrants to supply plants true to name, as set forth in our catalog. Because of the perishable nature of plant materials, customer storage conditions, planting practice and effects of weather after planting, all nursery stock is sold *as is* without warranty for livability or productiveness.

### Limitation of liability

Lone Peak Conservation Nursery's total liability is limited to original purchase price of nursery stock.

### Cancellations:

All cancellation requests must be in writing. Orders may be canceled at no charge prior to February 15. Orders canceled after February 15 will be assessed a 20 percent cancellation and processing charge.
